

app.main.input_monitor

```
graph LR; A[app.main.input_monitor] --> B[app.main.signal_handler]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'app.main.input_monitor'. The right box is white with a thin gray border and contains the text 'app.main.signal_handler'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a directional flow or relationship between the two components.

app.main.signal_handler
